STUDENT VOICE

MY FIRST DAY AT SLC

My name is Ramandeep Kaur, I want to share my experience with St Lawrence collage Cornwall campus. I am an international student from India (Punjab) .I feel so lucky that I chose St Lawrence collage because, in the past, I completed my program at another college where I received fewer services compared to this one. At St. Lawrence College, I have had numerous opportunities to showcase my talents, and I truly appreciate the respect shown for every person's background and religion.

I want to describe my first day at St. Lawrence College. I was nervous and had butterflies in my stomach. On my first day, I met my professor and classmates, and my professor helped ease my doubts. One wonderful thing was that we received treats like popcorn, chips, and drinks. I felt so welcomed! I even received a backpack filled with essentials and candies. I also had the chance to play some games there. It was such a memorable and wonderful day for me.
